Executive Committee Report

Milton Hicks, Moderator

Our annual meeting was held on October 15, 2007 at the Calvary Baptist Church of Murfreesboro. This wonderful Church did a great job of hosting the meeting and providing a delicious meal. The Pastor, Brother Mark Gregory, welcomed us warmly, and shared an inspiring devotional.

Our first meeting of the year was a called session at the Belle Aire Baptist Church on November 26, 2007. The host Pastor welcomed us and shared a time of devotional. Five motions concerning the future building were made and passed unanimously. The first motion was to purchase the property on Perimeter Place South. The second motion was to approve Huddleston Steele to prepare the plans for the site and building. The third motion was to retain the services of Michael Stewart as architect. The fourth motion was to hire Donald Corley as the contractor. The fifth motion was to retain Mark S. Moore to prepare the contract, to review the contract with the contractor, and to oversee the construction of said building.

Our second meeting was held with the Scenic Drive Baptist Church on February 18, 2008. The meeting began with a welcome, Scripture reading, and prayer from the Pastor, Brother Ron Hardeman. Reports were heard from the Strategy Planning Committee on the new building. Brother Gary Rickman from the Tennessee Baptist Convention shared with us concerning the Ten x Ten Campaign. This campaign will seek to enhance Stewardship and Cooperative Program giving in the Association. Each Church is encouraged to give 10% of all undesignated offerings to the Cooperative Program by 2010.

The next meeting was held at Green Hill Baptist Church on May 19. Brother Ron Byers, moderated the meeting in the absence of

the moderator. Brother Leonard Rader led the meeting in a welcome and devotional. Reports were heard and the Strategy Planning Committee presented the proposed floor plan for the new building. The meeting was closed by singing a song that was written by Brother Harry Nichols.

Our August 18 meeting was held at the Crossway Baptist Church. Brother Randall Davis, the Director of Education of the Church led us in devotional and prayer. Several reports were heard, including one from our Missions Coordinator, Brother John Seals. There was no old or new business. The meeting was closed with a time of prayer.

Exciting days are ahead! Hopefully it will not be long until construction is underway for the new building and Concord Baptist Association will have a permanent home. Thanks to all who have faithfully attended the Executive Committee meetings.

Director of Missions Report

J. David Pittman

This has been a good year in the life of the Concord Baptist Association. Our work is healthy and strong with many signs pointing toward this being a great year in our history. We are in a time of transition into our new structure and into our new building. These changes bring new challenges but we seem to be progressing in a positive way. We, like most Southern Baptist organizations, are experiencing a tight budget but this is normal for what is taking place in our national economy.

Our plan to construct a new office building of around 3650 square feet continues on schedule. The location of this project is 2633 Merchants Walk in Murfreesboro. We would all like to see this process hasten along but we are told that this timetable is to be expected. We will keep you informed with the progress. The architect, W. Michael Stewart, has delivered our final plans and we have forwarded them to Donald Corley, our General Contractor, who is making preparation to begin this project. We are planning a ground breaking ceremony in the not too distant future.

In the near future the Strategy Planning Committee will begin working on coming up with guidelines for use of the Mission/Ministry Fund. As you recall, this fund will consist of the money remaining from the sale of our Church Street property after the new building is completed. These funds will be placed in an interest bearing account with these earnings to be distributed to our churches for projects of their choosing. At this point we do not know the amount of money that this will be. However, we believe that agreeing on guidelines to be used in their distribution is appropriate.

Plans are currently underway to celebrate the Concord Baptist Associations two-hundred years of ministry in Middle Tennessee. We will reach this monumental milestone in the year 2010. Our moderator will appoint a committee to oversee every aspect of our celebration. Part of this occasion will be the publication of our history from 1810 – 2010. Dr. Fred Rolater is working on a manuscript for this book at the present time with plans for completion prior to next year's annual meeting. Churches will be asked to provide a short history of their congregation along with a picture to be incorporated in this publication.

The Concord Baptist Association is blessed with an excellent staff. It is a pleasure to work with them in the work that God has called us to. During my convalescence last year they did a yeoman's job in making sure that the work of the association continued on. I am grateful for each one of them and want to express my appreciation for their tireless effort.

My health continues to improve. I have returned to normal office hours and am available to our churches as needed. I appreciate the prayers that have been lifted for me and my family. My belief is that God chose to answer these prayers because there is still more work that He has for us to accomplish together. Let's each do our part to make this year of transition one of the most exciting and rewarding times in the two hundred year history of the Concord Baptist Association.

Kingdom Growth Coordinator Christian Education Report

Tim Fisher

2008 has been a very good year for Concord Baptist Association. Our participation in our annual programs such as VBS Training, Children/Youth Bible Drills and Sunday School/Small Group Conferences have been good, as many of our churches took advantage of these programs. We also had a good turnout for our first Cooperative Program Banquet and Mission Fair hosted by Belle Aire Baptist Church. Approximately 180 people participated, it was a great evening. Even though our structure and the way our association does ministry have changed, we will continue to do these traditional ministries.

One of these ministries has been the Concord Baptist Association summer missionary program. It will continue to be a great success. This year we had five summer missionaries working with approximately 15 churches doing various ministries within our association. Our missionaries this year were Emily Waycaster, Aaron Cox, Timmy Hendrix, Cory Drake and Lee Hardin. They were a blessing to our association.

Be patient with your association as we go through changes in how we do ministry. In the past we (staff) have started ministries and programs and have asked the churches to get behind these programs and ministries. We really believe God is leading us as an association to do ministry in a different and vibrant way. We ask you the churches to pray about the ministries and programs God would have you to do. Ask God to give your church a passion and vision for a ministry and in return we as an association will get behind that ministry through prayer, encouragement, training and providing other resources that will help your to do that God given ministry or program. We know that this is different than in the past, but we feel this new structure and way of doing association ministry will provide us with the best opportunity of reaching a lost Rutherford County and world for Christ. Be in prayer for your association as we make this transition.

Go for the goal!

Multihousing Report

Ellen Chapman, Coordinator

There are many things we are thankful for as we see the Lord at work in this ministry:

We are grateful for the volunteers who have been led from Belle Aire to share in the ministry at the Hope Center at Byrnwood Trailer Park. Those children are excited to have the love and attention they so desperately need. There is still space for other workers to help with homework.

It is such a blessing to see how students from Calvary are reaching out to several locations in the city to children in the low income areas. I'm so grateful for their willingness to use their fall break to share Jesus with those who haven't heard. God will bless their willing hearts.

The faithful workers from Stones River are still serving the children of Meadow Wood Apartments in a weekly Bible study. God will bless your faithfulness.

We are so thankful for the way the mission group at Southeast has adopted the Wyndover Apartments to minister to the spiritual and cultural needs of the children and adults of that community.

We are also happy to share that Tivoli Place will soon have a new sponsor, as Riverdale makes plans to reach the children that do not attend church. Thank you Pastor Curt.

Let's not forget about our Christmas Store which will be held at FBC Murfreesboro Family Center on December 4 and 5 from 10:00 a.m. until 3:00 p.m. All gifts should be taken to FBC by December 2. We will need help to set up and also serve the parents who come to shop. Thanks to all the churches who are willing to give gifts and of yourself to make a happy Christmas for so many children. Praise God for giving the greatest gift of all, Jesus.

Pray the Lord of the harvest will bring forth laborers into His harvest field.

WOMEN'S MISSIONARY UNION REPORT

Emphasis for the Year: Called to Love

The main goal of W.M.U. is to challenge all Christian believers to understand and be involved in the mission of God. What better way to demonstrate the love of Jesus to the lost of this world than living the call to missions.

There are several programs available through the W.M.U. organizations that enable every age bracket to develop a program that fulfills the need of your church. Not all churches can participate in all the organizations or approaches that W.M.U. presents. What works in a large church may not work in a smaller setting. There are newly designed "How to Books" that can help you along the journey. The Tennessee State Staff along with the Associational Leadership Team is available to help in designing a program for your church.

I encourage church Pastors without any W.M.U. programs to start one today!!! The Lord will reveal new and exciting ways you can involve your church family in spreading the love of Jesus to His people.

Love the Lord your God with all your heart, soul and mind. This is the first and greatest commandment. The second is like it: Love your neighbor as yourself. Matthew 22:37-39 NIV

MTSU BAPTIST COLLEGIATE MINISTRIES

2007-08 SCHOOL YEAR REPORT

Amber Vaden, Director

2007-2008 School Year - Weekly ministries

- International Student Ministry- Tuesdays, 6:00 p.m. This is a weekly supper for Internationals and American students to get together and practice conversational English. This allows us to begin relationships and open doors to further share about Christianity.
- Noonday - Wednesdays, 11:30 p.m. Noonday provides an excellent outreach to the campus with a home cooked meal and a devotion.
- Manna - Thursdays, 7:00 p.m. Manna is a collegiate Bible study and worship led by a student band.

Ministry Highlights

- Approximately 120 MTSU students were regularly involved in one or more BCM ministries this year.
- Welcome Week kicked off our Fall Semester with a Welcome Back Cookout, Pancake Drop In, and front

lawn Block Party, Noonday, and a tailgate at the first home football game. Over 125 new freshmen and transfer students turned out for these events. Throughout August, September, and October, new students outnumbered our returning students at almost all of our events.

- Noonday went outdoors! This fall we moved our Noonday ministry outdoors twice, meeting and serving over 100 students at each one. Our students led out in the set up, serving, and providing live music on the lawn.
- Intramurals gains momentum! This year we strongly cast the vision for our intramural sports teams to be used as an outreach tool. In the spring semester, we had 3 softball teams, with each team comprised of about 40% new students who may not be involved in church. Our student team captains have caught the vision, and our sports teams play for two purposes- fun and being a visible presence of the body of Christ on campus.
- Our weekly collegiate Bible study and worship time averaged 50 students weekly.
- Spring Break missions took us to New Orleans, LA to serve with FBC, New Orleans in building over 40 new homes for families & individuals affected by Hurricane Katrina.

Thank You!!

Our ministry to students at MTSU is growing! We could not do what we do without the support and partnership of our local churches. Thank you so much for partnering with us as we invest in the lives of college students. The following churches support the BCM by providing meals for our Noonday ministry.
