### Tim's Notes

#### Tim Fisher, Kingdom Growth Coordinator

Over the next two months Concord Baptist Association along with the Tennessee Baptist Convention is going to put an emphasis on the importance of each church giving to the Cooperative Program. Since its inception in 1925 the Cooperative Program has grown to be one of the most effective, efficient, and expansive ways of engaging lost people and supporting missions. This past year, Tennessee Baptist gave \$37,674,053 through the Cooperative Program to support missions in Tennessee and around the world.

Our challenge to you is to have every church in our association give at least 10% of their offerings to the Cooperative Program by the year 2010. We are asking each church to pray concerning increasing their giving to the Cooperative Program.

On April 19 we will have a Cooperative Program Missions Banquet and Fair at Belle Aire Baptist Church. The Fair will begin at 4:30 p.m. and the banquet at 6:00 p.m. Exhibits for the Fair will also be available for viewing after the banquet. The next day Sunday, April 20 we will have a CP Emphasis Day in our local churches. More details will be coming soon. My last challenge, don't throw the baby out with the bath water.

### Summer Missionaries Needed!!

Every year Concord Baptist Association uses college students as summer missionaries for 10 weeks during the summer. They will be involved in Vacation Bible School, multihousing ministries, children and youth ministries, door to door outreach, block parties and other ministries. They will work with the local churches in our association. The missionaries must live locally and have their own transportation. They are paid \$150 per week. If you are interested in serving or know someone who might be interested contact the association office at 890-6409. Also if your church is interested in using the missionaries please contact us soon to get your date on the calendar.
