From the Desk of J. David Pittman, Director of Missions

The day we all have been eagerly awaiting has finally arrived! On Tuesday, August 15, 2005 the Concord Baptist Association completed the task of selling our property at 2900 South Church Street. This is the property that was given to the association by the Robert Comer family. This historic day is one that we all have been eagerly looking forward to since the February Executive Committee Meeting. This completes the first step that the Executive Committee approved at our February 2006 meeting.

The funds for the sale of the property have been placed in an interest bearing account with the Tennessee Baptist Foundation in Brentwood. These funds are in a secure account that will give us the flexibility draw from to complete our plans.

Our next steps are to purchase land for our new building, design a new building and then complete the new structure. Then after all of these tasks are completed we will institute a perpetual Mission/Ministry Fund with the remaining resources. Then anyone interested in giving to this account will have the opportunity to do so. These gifts will be used for the original purpose designated by the Mission/Ministry Fund.

We praise God for His leadership in this and every matter! We look forward to what God will lead us to as we complete His plans for our work together. Great and wonderful is our Lord and worthy to be praised!

Praise the Lord

These pictures were taken at the closing of the sale of the association owned property on Tuesday, August 15, 2006. Seated is Barney E. Rickman our Chairman of Trustee who signed for our association. Overseeing the signing is David Pittman, Director of Missions, Mark Moore, our attorney and Leonard Rader, associational moderator.
